Krassimir Tanev, Chief Commercial Officer of Aeroitalia: *“Today we are pleased to announce the expansion of our Milan Bergamo base and the launch of 27 fantastic new routes at affordable prices from Milan Bergamo, benefiting our customers who will enjoy more and better travel choices for their holidays to Southern Italy, Greece, Spain, Cyprus, Israel, Romania, Poland and Albania. This week is also particularly important for Aeroitalia because we are launching our new direct London Heathrow-Milan Bergamo service. In addition, due to the increased demand on our Milan Bergamo-Rome flight, we are reinforcing the service with a fourth daily flight, thus offering more opportunities to our business customers on this popular route.”*

Giacomo Cattaneo, Director of Commercial Aviation at SACBO: *“The announcement regarding a significant increase in destinations in the summer 2023 flight programme, in addition to the connections in place with Rome Fiumicino, London Heathrow, Bacau and Catania, reflects Aeroitalia’s willingness to give Milan Bergamo Airport an important role in its activities. This is a source of satisfaction for us. The schedule launched by Aeroitalia also contributes to strengthening the offer of typically Mediterranean holiday destinations from Milan Bergamo in the summer of next year”* - says Giacomo Cattaneo, Director of Commercial Aviation at SACBO.
