INAUGURATION OF THE ROUTE CONNECTING BELGRADE OPERATED BY WIZZ AIR

Milan Bergamo Airport has celebrated the arrival of the first scheduled flight from Belgrade, operated by the airline Wizz Air with a 230-seat Airbus A321.

Serbia has thus joined the network of countries that can be reached with a direct flight, which will be running five days a week.

The launch of the flight to Belgrade brings the number of routes operated from Milan Bergamo Airport by Wizz Air to 10, confirming the airline's position as the second airline for number of destinations served and number of passengers transported to and from the airport.
